Fixed Operations Accountant

Corporate Office, Hartland, WI

JX Enterprises, Inc. seeks a Fixed Operations Accountant to manage significant portions of the annual audit and establish and lead the monthly financial closing schedule at its facility in Hartland, WI. Responsibilities include utilizing Microsoft Excel to create dynamic reports for company management, utilizing advanced formulas, pivot tables, macros and an ODBC database, and the review and audit of capital lease accounting in relation to a large heavy and medium duty commercial vehicle fleet. The position requires a U.S. Bachelor's degree or foreign equivalent in Business Administration, Accounting or a related field and three years of experience in the following skills: accounting, Google Docs, Microsoft Excel advanced formulas, pivot tables, ODBC database and macros. Additionally, three years of experience working directly in a large heavy duty truck dealership environment including three years of experience with federal excise tax in relation to commercial truck sales, capital lease accounting experience in relation to a large heavy and medium duty commercial vehicle fleet and review and analyzing the financing of a large self-funded company health plan are also required. One year of fixed asset accounting experience is also required. The ability to travel (up to 75%) throughout the Midwest is required.

To Apply:

Interested candidates should mail a cover letter and resume to Richard Yezzi, Vice President of Human Resources, JX Enterprises, Inc., 1320 Walnut Ridge, Hartland, WI 53029.

JX Enterprises is an Equal Opportunity Employer.
